

We will arrange your Master's visit in Bayreuth

Would you like to spend a few days in Bayreuth and time with your favourite masters or do you wish to collaborate in a private clip (with or without your direct appearance)?

No problem. We will arrange that for you. Write to us about what you expect from the meeting and we will make it possible. Please keep in mind that not all Masters are always available.

What is the process?

- 1. You write us in brief what you want exactly
- 2. We calculate the costs and give you a price quote
- 3. You pay a deposit in order to ensure that you are serious about the buisness

As soon as the deposit has been received, we will discuss the details and recommend you possible hotel options. After we have discussed everything and made an appointment, you have to keep this appointment, otherwise the deposit will be forfeited.

Please note that we only answer serious inquiries without lengthy typing. Please also note that the Masters are all heterosexual and sexual inquiries are not answered.
